

AGRICULTURAL COMMISSIONER

County of Santa Barbara, CA

Santa Barbara County is one of the most desirable places in the world to live and work with a spectacular natural setting that includes 50 miles of scenic Southern California coastline and over 700,000 acres of land zoned for agriculture. The Agricultural Commissioner is supported by 30.8 FTE and operates out of two main offices (Santa Barbara and Santa Maria) and three district offices.

The ideal candidate will demonstrate a sophisticated knowledge of California's agricultural industry. At least six years of experience in the field of agricultural and/or weights and measures compliance and pesticide enforcement that includes a minimum of three years serving as a manager/supervisor is required. The possession of a Bachelor's degree plus a California State License for County Agricultural Commissioner and County Sealer of Weights and Measures are also necessary to qualify for this opportunity.

The salary range for this position is \$116,480 to \$193,440 and is supplemented by an attractive benefits package and potential hiring incentives. This recruitment is **OPEN**. For detailed information and to apply online, visit **www.tbcrecruiting.com**.
